

# Renewal Declaration for Management Liability

Please read the following notices. They are for your information and do not form part of the insurance contract. They do not impose contractual obligations on you or create contractual rights.

## **Your Duty of Disclosure**

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms. You have this duty until we agree to insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract. You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

## **If you do not tell us something**

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

## **Claims Made Policy**

This policy is issued on a 'claims made and notified' basis. This means that the Insuring Clause responds to:

- claims first made against you during the Period of Insurance and notified to the insurer during the Period of Insurance, provided that you were not aware at any time prior to the policy inception of circumstances which would have put a reasonable person in your position on notice that a claim may be made against you; and
- written notification of facts pursuant to section 40(3) of the Insurance Contracts Act 1984. The facts that you may decide to notify, are those which might give rise to a claim against you. Such notification must be given as soon as reasonably practicable after you become aware of the facts and prior to the Period of Insurance expiring. If you give written notification of facts the policy will respond even though a claim arising from those facts is made against you after the policy has expired. For your information, s40(3) of the Insurance Contracts Act 1984 is set out below:

'S40(3) Where the insured gave notice in writing to the insurer of facts that might give rise to claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the contract expired, the insurer is not relieved of liability under the contract in respect of the claim when made by reason only that it was made after the expiration of the period of the insurance cover provided by the contract.'

When the Period of Insurance expires, no new notification of facts can be made on the expired policy even though the event giving rise to the claim against you may have occurred during the Period of Insurance.

### **Underinsurance provision**

If your policy provides for 'Costs in Addition' to the limit of liability and if a payment in excess of the limit of liability available under your policy has to be made to dispose of a claim, the insurer's liability for costs and expenses incurred with its consent shall be such proportion thereof as the amount of liability available under this policy bears to the amount paid to dispose of the claim payments.

### **Subrogation waiver**

Our policy contains a provision that has the effect of excluding or limiting our liability in respect of a liability incurred solely by reason of the insured entering into a deed or agreement excluding, limiting or delaying the legal rights of recovery against another.

### **Privacy**

FTA Insurance complies with the Privacy Act 1988 and the Australian Privacy Principles therein. If we disclose personal information to you for any reason you must also act in accordance with and comply with the terms of the Privacy Act and the Australian Privacy Principles.

### **Agent of the Insurer**
